1. We have indications from the DDP TRO's that a quantity of 85 CV-2A's will be required. [redacted], Secretary of the Technical Requirements Board, will poll the TRO's to reconfirm this figure and will forward a formal requirement to OC. 25X1

2. Since we have previously decided to produce a quantity of 25, and subsequently agreed between our Staffs upon a figure of 100, we recommend that production begin prior to receipt of formal requirement from DDP.
